ARCANE TOKEN

How to Buy

HOW TO BUY?

1 ### Get MetaMask Wallet

Go to metamask.io and install their app (available on Chrome Web Store, iOS and Android). MetaMask Wallet is a trusted, and secure wallet in the crypto space. Make sure to keep your seed phrase somewhere safe!

2 ### Add Binance Smart Chain network

You will need to add the Binance Smart Chain network into your MetaMask wallet before you can purchase $ARCANE.

3 ### Buy some BNB

Purchase BNB on exchanges, such as binance.com, and add your funds into your virtual wallet.

4 ### Go to Pancake Swap and get some $ARCANE

After you're all set, head to pancakeswap.finance, connect your wallet and get some $ARCANE. Set your slippage To 6% - 7%.
